

CSA Staff Notice 11-328

Notice of Local Amendments in Alberta and the Adoption of Multilateral Amendments in Yukon

March 12, 2015

From time to time, a local jurisdiction may amend a national or multilateral instrument to reflect changes that affect activity only in that particular local jurisdiction. The CSA recognize that such local amendments may nonetheless be of interest or importance beyond the local jurisdiction and CSA staff are issuing this Notice to identify the sections of certain national instruments affected by local amendments in Alberta and the adoption of multilateral amendments to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (**NI 58-101**) in Yukon. For public convenience, CSA members in other jurisdictions will update the text of the applicable consolidated instruments on their websites to reflect these local amendments.

Local Amendments – Alberta

On October 31, 2014, the *Securities Amendment Act, 2014* amended the *Securities Act* (Alberta) (the **Act**) to create a framework for derivatives regulation. Among other things, the Act has been amended to add a definition of derivative and to replace throughout the Act, where necessary, the terms “exchange contract” and “futures contract” with the term “derivative”. As a result, in Alberta, several national instruments were amended to make conforming changes regarding this terminology.

On January 11, 2015, the Alberta Securities Commission, along with the other members of the CSA, implemented amendments to National Instrument 31-103 *Registration Requirements, Exemptions and Ongoing Registrant Obligations*; however, the amendments in Alberta vary from the other CSA jurisdictions in Sections 8.20 and 8.20.1.

Annex A to this Notice sets out the Alberta local amendments.

Adoption of Multilateral Amendments – Yukon

On December 31, 2014, the Office of the Yukon Superintendent of Securities implemented amendments to NI 58-101 *Disclosure of Corporate Governance Practices* in coordination with Manitoba, New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Nunavut, Ontario, Quebec and Saskatchewan. The Office of the Yukon Superintendent of Securities reached the decision to adopt the amendments subsequent to the publication of Multilateral CSA Notice of Amendments to NI 58-101 dated October 15, 2014.
